4/10/08	4:01 PM	73		5	5	5	5	5	5	5	5	5	5	5	5	5	5	5 Phil is so enthusiastic and genuinely cares about organic chemistry and the students. He doesn't play favorites and treats everyone respectfully. He is the best TA I have had in my two years in chemistry. He went above and beyond. He answered questions with patience and made the lab environment very comfortable.

4/12/08	9:06 AM	73		5	5	5	5	5	5	5	5	5	5	5	5	5	5	5 Phil is very knowldegable about experimental methods. He was always trying to help us figure out the smartest and best way to conduct an experiment. Phil also responds to emails very quickly. It helps that he sends out to the whole class the responses to one individual's question, so that he keeps things fair. Phil is also just a really nice guy who is fun to be around, which made lab an enjoyable experience.
